

International Assembly Newsletter Spring '03 Photo Supplement

The International Assembly of the National Council for the Social Studies Annual Conference was held in Phoenix, Arizona in 2002. The session included a number of roundtable paper presentations, a sharing of insights from each of the tables with the larger group, the wonderful guest speaker Shall Sinha for the Jan Tucker Memorial Lecture Series and the International Assembly reception. Enjoy some images from these events. The photos are courtesy of Harry Rogge. We look forward to seeing you all in 2003 in Chicago!!!
